

Microsoft Surface Hub 2S

Technical Resource Pack

Surface Hub transforms ordinary places into modern collaboration spaces.

Join more engaging and productive meetings and collaborate in new ways.

TECHNICAL OVERVIEW

Sleek, slim design with the thinnest edge and bezel of any device in its class

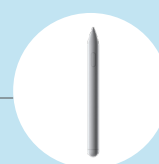

Fully integrated Windows 10 device — natively run must-have Microsoft and third-party apps

A great platform for Microsoft Teams and Skype for Business

A brilliant 4K+ screen, 4K camera, and enhanced speakers and mics

Interact naturally with **Surface Hub 2 Pen and touch** functionality

Experience mobile, cordless teamwork with Steelcase Roam™ Mobile Stand and APC™ Charge Mobile Battery

Next level brainstorming with **Microsoft Whiteboard, a persistent digital canvas**

Sign in to access OneDrive files or project content wirelessly with Miracast

Turn any workspace into a team workspace with Surface Hub 2.

Built to move beyond meetings, to true teaming. Teams come in all shapes and sizes. They can be local or spread across the globe. To transform from collaboration to true teamwork, you need to invest in tools that bring out their best in the meeting room or in any team space.

This is the perfect collaboration device for any space. It is designed to get people out of their seats, to connect and ideate, regardless of location.
